

Job Opportunity: Chief Radiotherapy Technician

**Department of Radiation Oncology
Shri Mahant Indiresht Hospital, Dehradun**

Shri Mahant Indiresht Hospital, a leading healthcare institution in Dehradun, invites applications for the position of **Chief Radiotherapy Technician (One Post)** in the Department of Radiation Oncology. We seek a dynamic and qualified professional to join our team in delivering high-quality, safe, and effective cancer care.

Position: Chief Radiotherapy Technician

Key Responsibilities:

- Supervise and manage the daily operations of the radiotherapy technician team.
- Ensure compliance with all radiation safety protocols and regulatory guidelines.
- Operate and maintain advanced radiotherapy equipment, including IMRT, IGRT, SRS/SBRT, and brachytherapy systems.
- Collaborate with oncologists, medical physicists, and other healthcare professionals to optimize patient care.
- Provide training and mentorship to junior technicians and foster a culture of continuous learning.

Qualifications:

- Bachelor's degree in Radiation Technology or equivalent qualification.
- Minimum of 10 years of experience in a radiation oncology department.
- Strong understanding and knowledge of advanced radiation delivery techniques and brachytherapy.
- Keen interest in teaching and mentoring staff.
- Excellent communication, organizational, and problem-solving skills.

What We Offer:

- A collaborative and progressive work environment.
- Opportunities for professional growth and development.
- Competitive salary and benefits package.

How to Apply:

Interested candidates are requested to submit their updated CV along with relevant certifications to:

Email : career.smih@sgrrmc.com
Contact : 0135 – 6672644 , 9389922428

Application Deadline: 10 March 2025

Join us in our mission to provide world-class cancer care with safety and precision. Be a part of our dedicated team at Shri Mahant Indiresht Hospital, where patient care and safety come first.
